Winter Meeting

The Annual Luncheon Meeting will be held on Saturday, February 16, 2002 at the Jubilee 2000 Museum, in the former Holy Family School building at Grubb and Shepherd streets. We will begin gathering at 11:30 and lunch will be served at noon. Following the luncheon, Father Kevin Lutz, pastor of Holy Family Parish and founder of the museum, will speak on "Art: The Search Goes On." After a short business meeting, the museum will be open for attendees to visit. The museum, founded in 1998, is a collection of church goods and artifacts that are being collected, restored, and in some cases reused by active parishes and missions. Items range from cornerstones and organs to missals, music, and pamphlets.

Reservations for the luncheon are required and must be made by February 8. Please use the form below. The meal will be catered, so please specify roast beef or chicken. If you have any questions, please call Patrick Mooney at 614-279-6665.

Rosecrans Historical Marker Dedicated

At a grand ceremony held on a fine, sunny day, Sunday, September 23, a marker commemorating brothers General William S. and Bishop Sylvester H. Rosecrans was dedicated on the library lawn in their boyhood home of Homer, Ohio. It was probably the biggest event seen in the village in many a decade and included speakers, music, and four-rifle and two-cannon salutes by Civil War re-enactors. Member Mike Finn taped the entire event and has presented a copy of the tape to the Society. The marker was paid for by the Society, the Homer Historical Society, the Granville Historical Society, the Knox/Licking Vicariate, and some private donations. Posing with the marker in the photo below are General William Tecumseh Sherman (E. Chris Evans), who spoke on his friend Billy Rosecrans, and Father Kevin Lutz, wearing period vestments and carrying the crozier of Bishop Rosecrans; Father Lutz blessed the marker.

History of the Diocese of Columbus

Delivery of the new history book to the diocese and parishes is expected around the end of January. The publisher had hoped to advance the delivery date and have it available before Christmas, but that proved impossible.

Photograph Collection--Computer Need

Society member Mary Hauslbetz has combed through the Society's files, pulled out the photographs, and organized them into a separate collection. This continues the work done by Carol Staudenheimer some time ago on a collection given us by the late Father Harwick. As part of her project, Carol provided us with an Excel spreadsheet index so that the photos can be found quickly and cross-indexed. We would like to expand the index to include the entire collection, but to do this we need a computer equipped with Excel. The computer would not have to be the latest or the fastest. Does anyone have or know of one that the owner might be willing to donate to us?
